Provided by The British Horseracing Authority, this one day seminar is ideal for anyone keen to understand the health and safety requirements in yards and thoroughbred studs. It is based around the Industry's own Health and Safety guide, 'the red book' issued by the British Horseracing Authority.

Delivered by an industry expert, the agenda covers many vital areas:

- Health and Safety Legislation including any recent updates
- Insurances
- Carrying out Risk Assessments
- Accident Reporting and RIDDOR
- First Aid Requirements

Delegates, who do not have a copy of the Industry Health and Safety guide will also receive the latest version of this guide which is endorsed by the Health and Safety Executive.
